

POLICY STATEMENTS

1410

(No. 1 May 2015)

[Government Code §19794](#)

Employees, volunteers and contract employees of CAL FIRE shall adhere to a standard of conduct that ensures respectful treatment of everyone they come in contact with during the course of their employment and work related activities. The Department does not tolerate unprofessional, disrespectful, discriminatory, or harassing behavior from its employees, volunteers or contractors at any time, for any reason.

The following established policies shall be adhered to by all CAL FIRE employees, volunteers and contractors. Failure to adhere to these policies is unacceptable and will result in serious consequences to the individuals who violate the policies.
